Workshop  
(for all ESP members)**

# Using the Anti-Bullying Bill of Rights to Change School Culture

First, this workshop will focus on the Anti-Bullying Bill of Rights and its impact upon school staff, students, and school districts.

However, combating bullying is not just about compliance, but also about changing school culture to provide a safe environment for all students.

Consequently, we will also focus on developing strategies for improving school culture, and preventing bullying.
