

The Delta Kappa Gamma Society International

Alpha Zeta State ETA CHAPTER Grant Application 2016

The Delta Kappa Gamma Society International is an honorary organization for outstanding women educators. It supports education in a variety of ways. The grant in aid committee of Eta Chapter will award a project enhancement grant up to \$1,000 to a woman educator for a classroom project, which benefits her students and provides student participation.

All active female teachers in the Burlington County public school system are welcome to apply. Interested applicants must submit a project proposal; obtain letters of recommendation from their current school principal and another individual who can attest to their abilities, professionalism, and commitment. All authorized projects should be completed by the end of the academic school year (June 2017). Applications should be received by close of business on Friday, December 9, 2016.
